GOVERNOR'S AWARD

To Dr. Benjamin Draper

"For his outstanding contributions to broadcasting in bringing about the establishment of the Pacific National Broadcasting Conference, where the exchange of radio and television programs results in the highest form of communication...understanding each other's culture."

To Louis S. Simon

"Pioneer Bay Area Broadcaster, Founding Member and past President of the San Francisco Chapter. An energetic believer in quality television, expressed during his many years as General Manager and Area Vice President of KPIX.

The San Francisco Chapter remembers with admiration and pride Lou's early efforts to encourage the participation of women and minorities in the television industry...and we thank him for looking in on us."
