Congratulations and welcome all to the 49th Annual Northern California Area Emmy® Awards Gala. Though the virus may socially distance us, know we are together once more in this most special of ways. This edition of the Gala will be a first. Our award has gone virtual in every digital way imaginable – broadcast on You Tube, socially mediated on Facebook and Twitter, and a special room on Zoom reserved just for nominees. We will not personally hand you an award but you will be able to share the celebration with more family and more friends.

Truly, work awarded an Emmy® statuette by the National Academy of Television Arts & Sciences (NATAS) attests your outstanding achievement. Know that you are among the most gifted journalists and media crafts people in the Chapter. As your regional Chapter president, I am delighted to represent the talented professionals working in Northern California, Reno, Hawaii, and Guam.

Emmy® Gala Chair **Julie Watts** organized this evening's outstanding event. Special thanks to Chapter Award Committee Chair and Emmy® legend **Wayne Freedman**. for riding herd over the myriad of details from improving the Call for Entries to screening each entry into the right category. The long award process culminates tonight. My special appreciation goes to **Patty Zubov**, **Joyce Mitchell** and **Larena Baldazo**, who were instrumental in securing sponsors and marketing the Gala. This event happened this year because so many wanted an award show rather than a press release stating the recipients.

We are truly blessed with dedicated and talented members of the Gala committee who helped to pull off an award show in impossible times. This night is outstanding because you are outstanding professionals. Thank you for all your hours of phone calls, emails, and Zoom meetings.

Two last notes: This will be my final Gala as your president. My presidency ends with the month. The experience has been exceptional, I have loved every minute. I will not be leaving the Chapter. I remain on the board to assist your new President, **Randy Forsman**, find his footing. That will not take long though. He already has great ideas for the future of our Chapter.

Secondly, I dedicate this Gala tonight to our dear friend **Linda Giannecchini**. Linda died just three days after last year's Gala. For most on our board this is the first Gala without her guidance, comradery, and brilliance. We have so missed her in this last year. Linda watch over us.

## **Julie Watts**

Investigative Reporter/Anchor, KOVR CBS13 NATAS Emmy® Gala Chair 2013-14, 2020 NATAS Awards Chair 2014-16 NATAS Governor 2010-13, 2017-18 Governors' Service Medallion 2014

On behalf of the Gala Committee, welcome to the **49th ANNUAL** (First-Ever-Virtual) **EMMY® AWARDS GALA.** 

When we began this year planning for a return to our sit-down-dinner awards show, we could have never imagined how quickly we'd have to pivot to this unprecedented format in the wake of the pandemic.

While we wish we could gather in person, we've been working hard to produce a virtual awards show for you with as much elegance and camaraderie as our live gala.

#### **MULTIPLE PLATFORMS**

Like many events and broadcasts these days, our show includes elements of streaming, Zoom, social media and crowd-sourced content. Each virtual platform and element was intentionally chosen to replicate some element of the live event.

For the best interactive experience, we hope you'll watch tonight using multiple screens and devices so that you can watch the main show on our **YouTube channel – EMMY SF TV** while live-commenting on our **Facebook Page - EMMY SF TV**.

If you're one of our 452 nominees, we hope you'll also join our **VIP Watch Party on Zoom**. (You should have received an invitation link by email.) Everyone else can watch both the live show and the live Zoom feed side by side on our website, **EmmySF.TV**.

We've also posted an **Emmy® Award Show Rundown at EmmySF.TV** so you know exactly what time your category is coming up.

If you have a smart TV with a YouTube app, we encourage you to watch the show on your big screen at our **YouTube channel – EMMY SF TV**.

While we'd love for you to post and share on all social channels with our Emmy® night hashtags #EMMYSF2020 and #EMMYSFAtHome, we're hoping you will specifically join us on Facebook for live commenting and chat during the show.

#### **ACCEPTANCE SPEECHES**

It was important that we keep the excitement of the live reveal and give each recipient their moment in the spotlight. So this year, in lieu of live speeches, we asked nominees to submit acceptance clips in advance. The variety and creativity of the segments you submitted are sure to add many unique and fun moments tonight.

If you didn't submit a speech, we encourage you to post one tonight on social media along with a link to your entry using **#EMMYSF2020** and **#EMMYSFAtHome**.

If you did submit an acceptance clip that airs tonight, we'd love for you to post a copy of that too along with a link to your entry and our hashtags.

#### THE TEAM

This night would not be possible without the hard work and sacrifice of President, **Steve Shlisky** who carried much of the weight by editing this labor-intensive show, along with **Patty Zubov**, **Kevin Wing** and **Joyce Mitchell** who helped wrangle the many moving parts.

We'd also like to thank the Emmy® Gala Committee, our Board of Governors, our presenters, **Tracy Peterson** of The AV Society, Photojournalist **Ken Day** and our Awards Chair **Wayne Freedman**.

Congratulations to all of our Emmy® Nominees. We hope you have a memorable evening as we honor the best in our business.

Sincerely,

#### Julie Watts

## **Wayne Freedman**

Reporter KGO ABC 7 NATAS Awards Chair Silver Circle Class of 2001 Governors' Citation 2013

On behalf of the Board of Governors, the Emmy® Awards and Emmy® Gala Committees, welcome to our 49th Annual Northern California Area Emmy® Awards. Tonight's ceremony honors excellence in a region encompassing Northern California, Reno, the Hawaiian Islands, and Guam.

We had hoped to gather in person as we usually do, but Covid-19 made that too much of a risk. This year, the English contest saw 706 submissions and 178 nominations in 64 categories. The Spanish contest received 176 entries and 59 nominations in 41 categories. Qualified judges in six separate NATAS chapter judged the work.

Tonight, we celebrate 452 nominees. You are the elite, honored because juries of your peers across the country loved your work and scored it highly. The nomination is an award in its own right. That golden statuette reflects a higher level of it. Be proud.

Tonight, we're providing you with multiple options for viewing and interacting. If you have a smart television with the YouTube application, watch on our channel at Emmy SF TV.

For commenting and live chat, please join us on Facebook @EmmySFTV.

Nominees have VIP access to our watch party on Zoom. Check your emails for a link to that. On our website, EmmySF.TV, watch both the show and the live Zoom with a rundown so you will know exactly when to expect your category.

If you post on social media, please use **#EmmySFAtHome**.

I want to extend heartfelt thanks to everyone who put so much work into making this event a success. Thank you to the Awards Committee for the hard work of certifying submissions. Major thanks to CBS 13 Investigative reporter **Julie Watts** for producing our gala webcast on short notice, and during a May book. Equal thanks to our chapter president, **Steve Shlisky**, for his post-production work in putting it together.

We hope to see you next year in person.

Congratulation to all the Emmy® Nominees. Good luck!

#### Wayne Freedman

# 2019-2020 Awards Judging Procedures

The San Francisco/Northern California Chapter annually honors outstanding individual, news and program achievements in Northern California, Hawaii and Reno. The purpose of conferring the coveted Emmy® statuette is to provide incentive for continuing outstanding individual and production achievements within the television industry. The Emmy® Awards program is also a means of focusing public attention upon the multi-talented individuals who comprise this business and to honor them. There can be one award, more than one award or no award presented in each category.

This was another great year with **882 entries** (**706 English** and **176 Spanish**) submitted in **64 English** and **41 Spanish categories** from the calendar year 2019, for Emmy® award consideration. All entries were submitted and uploaded through Emmy® Express and then judged online by the following NATAS chapters: Chicago/Midwest; Heartland (Denver); Mid-Atlantic (Philadelphia); Pacific Southwest (San Diego); Sun Coast (Miami) and Upper Midwest (Minneapolis/Saint Paul). At least seven peers viewed and scored each entry. English and Spanish entries are judged separately. The online programs were scored for content, creativity, and execution only, for a possible total of 30 points. Craft categories are judged on creativity and execution only, for a possible 20 points. After scoring all the entries in the category, the judge certified his or her scores and submitted the ballot directly to our accountant for processing.

A tabulated sheet representing each category, with separate entries for English and Spanish - but not identified - was presented to the Awards Committee. The committee determined a cut-off score in each category and entries above that score were considered nominees. The committee then selected the Emmy® recipients by highest scores. The Awards Committee members made these selections without knowing which entries or categories were being considered. The nominations were announced May 6, 2020 on the chapter's website. **178 English** and **59 Spanish** entries were nominated with **822 certificates** being handed out to **452 individuals**. Tonight, we will see the top scores of Emmy® award excellence.

The Governors' Award

# **Elliott Troshinsky**

President and General Manager, KCRA 3 / KQCA My58

Sacramento's **Elliott Troshinsky** is being recognized this year with the highest award presented by a local chapter of the National Academy of Television Arts & Sciences (NATAS), the prestigious Governors' Award. Troshinsky is known as a quiet giant, a TV veteran who sits at the helm of a Sacramento duopoly. Troshinsky was hired in 2000 by Hearst-Argyle as president and general manager of NBC Affiliate KCRA 3 and KQCA My58. He is behind the scenes but runs a tight ship dedicated to news excellence and serving the community.

"We've noticed the contributions that both Channel 3 and My58 have made to the community under Elliott's leadership throughout the years, especially during crisis situations including natural disasters," said SF/NorCal NATAS President **Steve Shlisky**. "We see that the station steps-up to raise awareness, donating valuable airtime to program specials that help viewers in the Sacramento market. A recent program educating the public about the COVID-19 pandemic is just one of many examples. We know many of those programs occur because of Troshinsky's leadership and commitment to community service."

Troshinsky is a television veteran who's been in the industry nearly 50 years. Prior to being hired at KCRA and KQCA, he was general manager of Sacramento's KMAX, now part of a Sacramento CBS duopoly. Troshinsky served as GM of KMAX for more than a decade.

Prior to working in Sacramento, he was the GM at WCIS in Miami, worked in sales at WTAF-TV in Philadelphia and WDAF-TV in Kansas City, MO where he was named general sales manager. And before that, like so many TV people, he got his broadcasting start in radio.

During this COVID-19 pandemic, KCRA opened its airwaves to the community, educating viewers about safety, prevention, and the dynamics of the virus. When fires raged through California's wine country, KCRA collaborated with the Red Cross and dedicated airwaves to raise nearly one-million-dollars for fire victims.

From fires in California to flooding in Texas to the Opioid Crisis, KCRA responds under Troshinsky's leadership to serve the community. In the midst of chaos and protests in Sacramento in recent years, KCRA quickly answered the community needs, asking tough questions of Sacramento's police chief and mayor in a town hall called, The Death of Stephon Clark: A Call for Change.

"The Board of Governors unanimously voted for Troshinsky to receive this high honor because of his outstanding credentials and great track record of community leadership in Sacramento," said Shlisky. "His television background is extensive and versatile. We have voted him worthy of this prestigious recognition."

For this award, an Emmy® Statuette is given. This award can be given to an individual, company or organization for outstanding achievement in the arts, sciences or management of television. Congratulations Elliott Troshinsky.

Presenter: **Edie Lambert**Anchor, Reporter. KCRA Channel 3

Edie Lambert is a television veteran, a member of the NATAS SF/NorCal Chapter *Silver Circle*, and recipient of two regional Emmy® Awards. She anchors news at KCRA Channel 3, taking a lead role in political coverage and providing context and analysis during election night coverage. She anchors the 5, 6 and 11 O'clock newscasts an is a board member of the Sacramento Press Club, co-chairing the scholarship program supporting the next generation of journalists.
