# Producer's Welcome

## Karen Sutton

Senior Producer/Freelance  
Emmy® Gala Executive Producer

On behalf of the Emmy® Awards Gala Committee, I would like to welcome you to the **44<sup>th</sup> Annual Emmy® Awards Gala**.

We are excited to be hosting Emmy® 2015 at the Robert N. Miner Auditorium at the SFJAZZ Center, a cultural landmark dedicated to jazz and jazz education in the heart of San Francisco.

This night will be especially intimate and memorable, as we are joined by **Marcus Shelby Trio**, who will be performing live jazz music throughout the evening! Marcus will also be leading us through our “Emmy® Etiquette Sing-Along.” Please take a moment to review on page 13.

The Emmy® LIVE show is sponsored by **Comcast**. We also hope you are enjoying the wine, compliments of our generous wine sponsor, **Watt's Winery**.

Once again, we will be streamlining our on-stage show and providing recipients with an additional platform to give speeches on the red carpet. In addition to the dual-live stream of the show & red carpet interviews, we will provide real-time, individual recipient speeches posted to **NATAS YouTube, Facebook** and **Twitter**.

Please tell your family, friends and colleagues that they can watch you receive your award LIVE on our website <http://www.emmysf.tv>

We encourage you to post and tweet along with us throughout the evening. Add **#EmmySF** to all of your Emmy® night tweets!

We extend a special thank you to **Sean Karlin** and the **Beyond Pix** production team for their creative time, talent, and valuable expertise in putting on this evening's awards program. We would also like to thank the NATAS Emmy® Gala Committee, the Board of Governors, and our many Emmy® Gala volunteers and staff.

Congratulations to all of our Emmy® nominees! We hope you have a memorable evening as we honor the best of the best!

Sincerely,  
Karen Sutton, Emmy® Gala Chair

# 2014-2015 Awards

## Judging Procedures

The San Francisco/Northern California Chapter annually honors outstanding individual, news and program achievements in Northern California, Hawaii and Reno. The purpose of conferring the coveted Emmy® statuette is to provide incentive for continuing outstanding individual and production achievements within the television industry. The Emmy® Awards program is also a means of focusing public attention upon the multi-talented individuals who comprise this business and to honor them. There can be one award, more than one award or no award presented in each category.

This was a record year with 896 entries (761 English and 135 Spanish) submitted in 67 categories from the calendar year 2014, for Emmy® award consideration. All entries were submitted and uploaded through Emmy® Express and then judged online by the following NATAS chapters: Chicago/Midwest; Mid-Atlantic (Philadelphia); Northwest (Seattle); and Suncoast (Miami). At least five peers viewed and scored each entry. English and Spanish entries were judged separately. The online programs were scored for content, creativity, and execution (1 to 10 points), for a possible total of 30 points. Craft categories were judged on creativity and execution only, for a possible 20 points. After scoring all the entries in the category, the judge certified his or her scores and the ballot was sent directly to Spalding and Company, our accounting firm for processing.

A tabulated sheet representing each category, with separate entries for English and Spanish-but not identified-was presented to the Awards Committee. The committee determined a cut-off score in each category and entries above that score were considered nominees. The committee then selected the Emmy® recipients by highest scores. The Awards Committee members made these selections without knowing which entries or categories were being considered. The nominations were announced May 6, 2015 on the Internet. 230 English and 57 Spanish entries were nominated with 873 certificates being handed out to 517 individuals. Tonight, we recognize the top scores of Emmy® award excellence.

## Musical Director

### Marcus Shelby

**Marcus Anthony Shelby** is a bandleader, composer, arranger, bassist, educator, and activist who currently lives in San Francisco, California. His work and music has focused on sharing the history, present, and future of African American lives, on social movements in the United States of America, and on early childhood music education.

Currently, Shelby is an artist in residence with the Yerba Buena Gardens Festival and the Artistic Director of the Marcus Shelby Orchestra. In March 2013, San Francisco Mayor Ed Lee appointed Shelby to the San Francisco Arts Commission where he serves on the Community Arts Grants and Education Committee and the Street Artists Committee.

# Emmy® Etiquette

Congratulations, 2015 Emmy® nominees from your gala committee. This is a reminder of the changes we made two years ago that have helped to streamline the show.

1. Each nominee has submitted a spokesperson that is designated to give a speech, should that nominee receive an award.
2. When the Presenter reads the award recipient, they will also read the name of that spokesperson. But if that spokesperson is not available to come onto the stage, other parties may come onto the stage to receive the statuette in their place.
3. In the event that no spokesperson was submitted with the nomination, then the Presenters will simply announce the Award Recipient and NO ONE will be permitted on the stage for that category.
4. The spokesperson should come up onto the stage using the stairs on the right or left.
5. Once on the stage, the spokesperson will receive a temporary statuette.
6. The spokesperson is then welcome to approach the microphone and give their speech.
7. Other parties are welcome to join the spokesperson on the stage...but they will not be permitted to give a speech.
8. All speeches are limited to 30 seconds.
9. If you are not the designated spokesperson, or you have already given a speech, you will not be permitted to give a speech and will be disappointed to find, that the microphone will not be active.
10. After receiving the award statuette, parties will be escorted backstage to deposit the temporary statuette, sign paperwork, and receive your engraved Emmy® statuette.
11. When you are given your Emmy® statuette backstage, you will also be handed an ID card, take this ID card to the Red Carpet area where the Photographer will take your picture and you can give a personal interview.

# Anything Doesn't Go

To help you remember the rules, our musical director **Marcus Shelby** has written the thoughts into a song for our opening number. It's a take off on Cole Porter's Anything Goes sung by **Tiffany Austin**.

**The Bridge is a Sing-a-long...**

ANYTHING GOES

THAT OLD MAN

*Submit a person who will represent  
All of the cast that's present  
But No, No, No...  
Anything doesn't go.*

*If that person is not available  
Others can come if able,  
To get that gold  
But that's as far as it goes*

*Bridge:  
If you hear your name tonight  
Come stage left or right  
Then you'll grab the mic  
To thank those you like  
Then you'll leave the light  
Offstage left -not right  
To the red carpet so you can pose.*

*If your name was not designated  
It's not because you're faded  
But in our show  
Anything doesn't go!*

*In golden days there was no limit  
But now we have got to trim it  
To 30 below (That's seconds!)  
Anything doesn't go.*

*Bridge:  
If the script you write  
For the cast you like  
For the show that might  
Take the gold tonight  
Then on the mic  
You only got tonight  
30 seconds to compose.  
Anything doesn't go.*

*On the red you're cool to speak  
Thank everyone in Mozambique  
Pour out your soul  
(There) Anything goes!*

We are **ALL** winners  
when it comes to adopting shelter pets!

*Silver Circle class of 2009*

*The Board of Governors' Citation is one of the highest awards a local chapter can bestow. It is for recognition of achievements to the television industry and is voted by the Board of Governors.*

Award-winning cinematographer/director George Lang is an entertainment industry veteran with over 30 years of broadcast television, corporate event and video, advertising and public relations experience.

A four time Emmy® Award winner, George earned the prestigious Peabody Award when he covered the civil war in Rwanda for ABC.

16 years ago George decided to combine his vast range of industry experience to launch his own video and film production company which he aptly named, "The Big Picture." George continues to serve as the director of photography for broadcast television and commercial shoots and as the producer of corporate videos and events.

George and The Big Picture are proud to have created the Jerry Jensen Memorial Scholarship and the Steve Davis Memorial Scholarship, to benefit graduate and undergraduate students of broadcasting.

# The Governors' Award

## David Louie

Reporter, KGO ABC 7  
Former National NATAS Chairman  
*Silver Circle class of 1995*  
*Governors' Service Medallion 1985*

*Presenter:*  
**Stan Burford**  
Former Executive Producer  
KGO ABC 7  
Trafficman, KGO Radio  
*Silver Circle class of 2000*  
*Former NATAS Chapter President*

*The Governors' Award is the highest Award a local chapter can bestow. It is for recognition of achievements by individuals, organizations or companies which do not fall within the structure of the Chapter's regional Area Awards. Historically, Board of Governors' Awards are for truly outstanding and unique accomplishments, or for achievements of some duration and durability.*

Over a span of 43 years at ABC7 News, David Louie has covered some of the biggest stories in the Bay Area and Northern California, including earthquakes, floods, the kidnap of heiress Patty Hearst, the disappearance of an entire bus of school children in Chowchilla, and the outbreak of SARS and toxic shock syndrome. He has been a reporter, an anchor, an assistant news director, a bureau chief and a business editor, covering the rise of Silicon Valley. His work has been recognized with four Emmy® awards.

David joined KGO-TV in 1972 right out of Northwestern University's journalism school. However, his TV career began at the tender age of five when he appeared for eight years on a weekly public affairs show on the NBC affiliate in Cleveland. He worked at two Cleveland and two Chicago TV stations during his undergraduate years. He was part of the KGO-TV "News Scene" team to report from China in 1979, a first for a local TV station, one year after normalization of relations with the U.S.

In 1976, he was elected to the Board of Governors of the San Francisco/Northern California Chapter of NATAS, serving as local awards chair, national trustee and a member of the national awards committee. In 1990, David became a NATAS officer, elected first as Vice Chairman and then Chairman of the Board, the first minority to hold that post. As chairman, he helped to create a \$20,000 NATAS scholarship, promoted media literacy, and led professional delegations to Asia and Europe.

His passion to encourage more minorities to enter TV and to assist with their skills development led to leadership roles in the Asian American Journalists Association (AAJA), serving as local chapter president and then national president. He currently serves on the board of the Radio Television Digital News Association (RTDNA) and its foundation.

He has mentored many young professionals and students through the years and has volunteered for many community groups and boards. He is also an avid photographer and foodie.
