President NATAS SF/NorCal

Governors' Service Medallion 2002

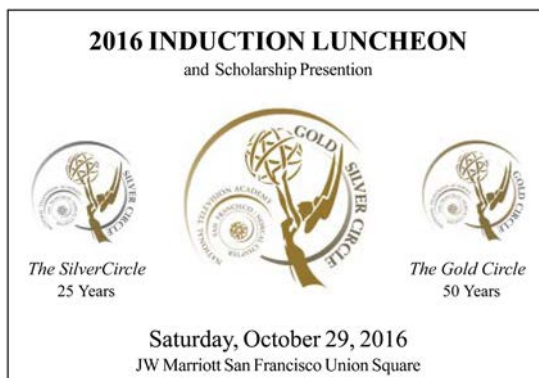

I'd like to welcome you to the **45th Annual 2015-2016 Northern California Area Emmy® Awards gala**. Emmy® statuettes will be presented tonight for outstanding achievement in television by The National Academy of Television Arts & Sciences (NATAS).

I've served as your Chapter President since 2012 but my second term is ending, so I'd like to reflect on how our Emmy® Awards Gala has progressed since then. Today our show is substantially shorter, even though the number of categories awarded has grown over the last four years. During this time we've perfected a system of dual live webcasts; including award recipients as well as Red Carpet interviews. Archived clips are now made available to all members after the event.

Two talented Emmy® Awards Managing Producers have sustained the gala since I was elected president. **Julie Watts**, a fearless innovator, presided over the first two years. **Karen Sutton**, an unsurpassed motivator, led the way during the last two. A special salute goes to Executive Director **Darryl Compton** who manages the countless advance details that make each event possible, besides working on the production crew. Our galas depend upon the imagination, organization and work ethic of the Emmy® Gala Committee, in addition to a small army of skilled craftspeople.

So I implore you one last time as Chapter President, Have a great evening and the best of luck to you!

Keith Sanders

Congratulations to tonight's nominees

Governors' Service Medallion 2015

On behalf of the Emmy® Awards Gala Committee, I would like to welcome you to the **45th Annual Emmy® Awards Gala**.

The Emmy® Awards Show is sponsored by **Key Code Media/Avid** and **The Handlery Hotel**. Please enjoy the varieties of wine, compliments of our generous wine sponsors, **Black Cordon Vineyards**, **Buon Vino Winery** and **Korbel Winery**.

We are excited to be hosting Emmy® 2016 at the Miner Auditorium at the SFJAZZ Center, a cultural landmark dedicated to jazz and jazz education in the heart of San Francisco.

This night will be especially intimate and memorable, as we are joined by the **Marcus Shelby Trio**, who will be performing live jazz music throughout the evening! Marcus will also be leading us through our "Emmy® Etiquette Sing-Along." Please take a moment to review on page 17.

Once again, we will be streamlining our on-stage show and providing recipients with an additional platform to give speeches on the red carpet. In addition to the dual-live stream of the show & red carpet interviews, we will provide real-time, individual recipient speeches posted to **NATAS YouTube, Facebook and Twitter**.

Please tell your family, friends and colleagues that they can watch you receive your award LIVE and your red carpet interviews on our website <http://www.emmysf.tv>

We encourage you to post and tweet along with us throughout the evening. Add **#EmmySF** to all of your Emmy® night tweets!

We extend a special thank you to the **SFJAZZ** technical team and the **Beyond Pix** production team for their creative time, talent, and valuable expertise in putting on this evening's awards program. We would also like to thank the NATAS Emmy® Gala Committee, the Board of Governors, and our many Emmy® Gala volunteers and staff.

Congratulations to all of our Emmy® nominees! We hope you have a memorable evening as we honor the best of the best!

Sincerely,

Karen Sutton

2015-2016 AWARDS JUDGING PROCEDURES

The San Francisco/Northern California Chapter annually honors outstanding individual, news and program achievements in Northern California, Hawaii and Reno. The purpose of conferring the coveted Emmy® statuette is to provide incentive for continuing outstanding individual and production achievements within the television industry. The Emmy® Awards program is also a means of focusing public attention upon the multi-talented individuals who comprise this business and to honor them. There can be one award, more than one award or no award presented in each category.

This was a record year with 935 entries (757 English and 179 Spanish) were submitted in 67 categories from the calendar year 2015, for Emmy® award consideration. All entries were submitted and uploaded through Emmy® Express and then judged online by the following NATAS chapters: Chicago/Midwest; Heartland (Denver); Lone Star (Texas) and Mid-Atlantic (Philadelphia). At least seven peers viewed and scored each entry. English and Spanish entries are judged separately. The online programs were scored for content, creativity, and execution (1 to 10 points), for a possible total of 30 points. Craft categories are judged on creativity and execution only, for a possible 20 points. After scoring all the entries in the category, the judge certified his or her scores and the ballot is sent directly to Spalding and Company, our accounting firm for processing.

A tabulated sheet representing each category, with separate entries for English and Spanish-but not identified - was presented to the Awards Committee. The committee determined a cut-off score in each category and entries above that score were considered nominees. The committee then selected the Emmy® recipients by highest scores. The Awards Committee members made these selections without knowing which entries or categories were being considered. The nominations were announced May 4, 2016 during a live webcast from Access Sacramento. Nomination Parties were held in San Francisco, Oakland, San Jose, Sacramento and Honolulu. 197 English and 83 Spanish entries were nominated with 895 certificates being handed out to 534 individuals. Tonight, we will see the top scores of Emmy® award excellence.

Musical Director Marcus Shelby

Marcus Anthony Shelby is a bandleader, composer, arranger, bassist, educator, and activist who currently lives in San Francisco, California. EMMY[®] ETIQUETTE

Congratulations, 2015 Emmy[®] nominees from your gala committee. This is a reminder of the changes we made two years ago that have helped to streamline the show.

1. Each nominee has submitted a spokesperson that is designated to give a speech, should that nominee receive an award.
2. When the Presenter reads the award recipient, they will also read the name of that spokesperson. But if that spokesperson is not available to come onto the stage, other parties may come onto the stage to receive the statuette in their place.
3. In the event that no spokesperson was submitted with the nomination, then the Presenters will simply announce the Award Recipient and NO ONE will be permitted on the stage for that category.
4. The spokesperson should come up onto the stage using the stairs on the right or left.
5. Once on the stage, the spokesperson will receive a temporary statuette.
6. The spokesperson is then welcome to approach the microphone and give their speech.
7. Other parties are welcome to join the spokesperson on the stage...but they will not be permitted to give a speech.
8. All speeches are limited to 30 seconds.
9. If you are not the designated spokesperson, or you have already given a speech, you will not be permitted to give a speech and will be disappointed to find, that the microphone will not be active.
10. After receiving the award statuette, parties will be escorted backstage to deposit the temporary statuette and be escorted to the Red Carpet area.
11. When you get to the Red Carpet area you will sign and receive your engraved Emmy[®] statuette, be interviewed on the Red Carpet webcast and have your formal photo taken.

ANYTHING DOESN'T GO

To help you remember the rules, our musical director **Marcus Shelby** has written the thoughts into a song for our opening number. It's a takeoff on Cole Porter's Anything Goes sung by **Denise Perrier**.

The Bridge is a Sing-a-long...

*Submit a person who will
represent
All of the cast that's present
But No, No, No...
Anything doesn't go.
If that person is not available
Others can come if able,
To get that gold
But that's as far as it goes*

Bridge:

*If you hear your name tonight
Come stage left or right
Then you'll grab the mic
To thank those you like
Then you'll leave the light
Offstage left -not right
To the red carpet so you can
pose.*

*If your name was not designated
It's not because you're faded
But in our show
Anything doesn't go!
In golden days there was no limit
But now we have got to trim it
To 30 below (That's seconds!)
Anything doesn't go.
Bridge:
If the script you write
For the cast you like
For the show that might
Take the gold tonight
Then on the mic
You only got tonight
30 seconds to compose.
Anything doesn't go.
On the red you're cool to speak
Thank everyone in Mozambique
Pour out your soul
(There) Anything goes!*

THE GOVERNORS' AWARD STAN ATKINSON

PRESENTER:

Joyce Mitchell

Producer

4U Productions

Governor

Governors' Service Medallion 2015

Silver Circle Class of 2010

Stan Atkinson

Anchor/Reporter/Host

Retired

KFTY 50, KTVU 2, KCRA 3,

KOVR 13

Silver Circle Class of 1986

Stan Atkinson remains a public figure and recognized personality in Northern California after 40 years in TV and decades on the air in the Sacramento area - delivering the news. As a TV news anchor, Atkinson traveled to some of the most turbulent places in the world including Afghanistan twice, El Salvador, Somalia, Vietnam and Cambodia, bringing viewers a close-up look as he reported breaking news from the war zones. He wanted to keep his community informed about the fight for Democracy.

Atkinson re-launched his Sacramento career as main anchor at NBC Affiliate KCRA in 1976 and was dubbed by *The*

Sacramento Bee as "The Man Who Owns Sacramento." In 1994, he became principal news anchor for KOVR until he retired in 1999. He remains one of the most popular news figures in the region.

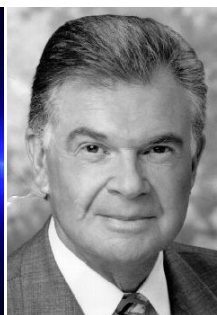

Overseas reporting earned Atkinson three Emmy® awards

- two for assignments inside Afghanistan and another for a documentary about Somalia. Atkinson was a principal fundraiser helping to raise money to build the \$2.2 million California Vietnam Veterans Memorial on the State Capitol grounds.

Through his Stan Atkinson Foundation, Atkinson has partnered with various organizations including The Sacramento River Cats baseball team and the East Sacramento Rotary to raise money to build River Cat's Independence Field - a multi-use sports and recreation facility for disabled youth and adults.

Before KCRA, Atkinson started a TV station in Santa Rosa. Channel 50 ended up folding and was a heartbreak. But Atkinson's passion for TV news remained pure and ongoing. The feeling and philosophy continue. He says the night in 1999 when he left the studio for the last time, he was as excited and energized about the business as the first day he walked into a TV station.

Today, the personal license plate on his car reads - **Old News**. But Stan Atkinson remains a legend - a personality recognized for his service to the community and dedication to the industry of television.
