President's Welcome

Randy Forsman
Director, KCRA 3,

National Trustee
Governors' Service
Medallion 2018

Welcome back! For the first time since 2019, we are able to gather in person once again to award excellence in television in our chapter. After two years of virtual Emmy® galas due to the COVID-19 pandemic, I am thrilled, on behalf of myself and the Board of Governors of our Chapter, to welcome you to the 51st Northern California Area Emmy® Awards. Tonight marks our return to Hilton San Francisco Union Square for the first time since 2014.

Whether it is your first nomination, or one of many, tonight we celebrate excellence in every market across our chapter. Our local chapter is one of 19 chapters across the country and our members are made up of media professionals in not only San Francisco and Sacramento, but Eureka and Chico/Redding to the north, Reno, Fresno, Salinas/Monterey on the central coast, Hawaii, and even Guam. The standard of excellence to earn either a nomination or receive an Emmy® statuette by The National Academy of Television Arts & Sciences (NATAS) is an honor to be proud of.

I would like to thank and applaud the hard work of Emmy® Gala Chair **Julie Watts**, Emmy® Awards Chair **Wayne Freedman**, and the countless others on the Board of Governors who have volunteered their time to make tonight a success. While you enjoy your four-course dinner, wine will be provided from **Michael David Winery** and **Lightpost Winery**. There will also be sparkling wine from **Guglielmo Winery**, and candy from **Dorinda's Chocolates**. The beautiful floral arrangements at your table have been provided by **Floradora Floral Designs**. The tropical floral arrangements have been provided by **Ai Pono Hawaii**.

Our Chapter is about more than just the Emmy® Awards. Despite being unable to gather in-person, we have hosted a multitude of virtual programs

over the last two years thanks to the diligence and dedication of Activities/Programs Chair **Steve Shlisky**. Amongst our many program series we've produced are Cinema Club vérité, What Works: Best Practices, and most excitingly, "Let's REALLY TALK About It," a series of engaging conversations on diversity and how it affects journalists led by newly appointed Diversity Chair Professor **Bob Rucker**.

As I close out my first term as Chapter President, I have made the difficult decision not to run for a second term. I am immensely proud of the accomplishments of our Chapter over the past two years, and I am inspired that our Board of Governors is the strongest it has been in years. Please join me in congratulating **Brooks Jarosz**, who has been elected to succeed me as Chapter President. I am confident that his enthusiasm and passion for our members will lead our Chapter into the future.

Congratulations to all nominees and recipients tonight. I am honored to share the room with the very best in television. Emmy® Awards Chair **Wayne Freedman** once said at the Emmy® Gala in 2013, "It is about the process, not the award." Those words continue to ring true for me. If you're nominated tonight, be proud of the accomplishments that brought you here.

Governors' Award 2021

Welcome to the 51st Annual Northern California Area Emmy® Awards. The Board of Governors along with the Emmy® Awards and Emmy® Gala Committees, are thrilled to have you with us. Tonight, we honor excellence in a region including Northern California, Reno, the Hawaiian Islands, and Guam.

For the first time in three years, we gather in the same room while celebrating our work, each other, and spirited competition.

This year, our chapter received 905 submissions in 100 English and Spanish categories. Combined, they garnered 270 nominations for 503 individuals. Juries of your peers across the country judged the work and deemed it worthy of recognition.

Being nominated? It's an award.

The statuette? A higher level of it.

Thank you to the Awards Committee for its many long hours spent certifying submissions. As you may know, we look at every single entry to assure it fits the category while complying with guidelines.

Thank you, especially, to Governor **Julie Watts** of KOVR in Sacramento for producing tonight's gala.

Thank you to **Len Ramirez** from KPIX for serving, again, as our Voice of God announcer.

Thank you to all Board members, past and present, who pitched in to help with our virtual galas.

We also owe an enormous debt of gratitude to our former president and Governors' Citation recipient **Steve Shlisky**, for his post-production work in putting all the videos together.

Congratulation to all the Emmy® Nominees. I would wish you good luck, but in this arena, that comes with hard work. You are the elite. You deserve to be here, tonight. You earned it.

Producer's Welcome:

Governors' Service Medallion 2014

After two years of Zoom interviews, remote meetings, and virtual Galas, we are thrilled to welcome you back, in person, to the 51st Annual Northern California Area Emmy® Awards Gala.

Once again, we have recruited a variety of sponsors to enhance the Emmy® night experience with offerings ranging from wine tasting to chocolate. Each recipient will also receive a pre-edited clip of your Emmy® speech to easily share with friends, family, and followers on social media!

Nominees, please take a moment to review the "Emmy® Etiquette" (page 17) for important instructions before accepting your Emmy® statuette.

The 2022 Emmy® Gala includes nods to several of our chapter's regions and markets with treats from Reno, wine from Napa, Santa Cruz and the Santa Clara Valley, and flowers from Hawaii. As we honor the best work our region has to offer while enjoying a four-course meal, we'll be sipping some of the region's best wines thanks to generous donations from our featured wine sponsors.

Our signature red wine is the 'Earthquake Cabernet Sauvignon' from the **Michael David Winery** in Lodi. Our signature white wine is **Lightpost Winery's** Award-Winning 'Chardonnay Santa Cruz Mountains'. After walking off the stage and onto the red carpet, Emmy® recipients will be handed a celebratory glass of 'Emilie's California Champagne' from the Santa Clara Valley's **Guglielmo Winery**.

Then, each recipient will be tagged in both their on-stage and red-carpet speeches. Each speech will be individually clipped and uploaded to our **@EmmySF social media accounts** so you can easily share the memory, courtesy of **The San Francisco Media Group**.

To make the evening just a little sweeter, each table is also being treated to some of Reno's finest chocolate thanks to a generous donation from **Dorinda's Chocolates** in Reno! Don't forget to take home your beautiful table centerpiece, designed by **Floradora Floral Designs**. This year, they include a taste of the islands with exquisite topicals thanks to our floral sponsor, **Ai'Pono**, a holistic eating disorder recovery center on Maui. Ai'Pono had the tropical flowers shipped over from Hawaii to honor our many Hawaii market nominees.

This night would not be possible without our production partners at **The San Francisco Media Group**, and the hard work of our **NATAS Emmy® Gala Committee**, the **Board of Governors**, and our many **Emmy® Gala volunteers**. A special thanks to board members **Stephanie Sierra**, **Terri Russel & McKenna Maduli** for recruiting our fabulous sponsors, and to Editor **Steve Shlisky**, Graphic Designer **Paula Marcheschi**, Co-Producer **Patty Zubov**, and our marketing/social media team, **Nazy Javid** and **Austin Castro**, led by marketing chair **Larena Baldazo**.

Congratulations to all our Emmy® Nominees. We hope you have a memorable evening as we honor the best in our region.

Sincerely,
Julie Watts

2021-2022 Awards Judging Procedures

The San Francisco/Northern California Chapter annually honors outstanding individual, news and program achievements in Northern California, Hawaii and Reno. The purpose of conferring the coveted Emmy® statuette is to provide incentive for continuing outstanding individual and production achievements within the television industry. The Emmy® Awards program is also a means of focusing public attention upon the multitalented individuals who comprise this business and to honor them. There can be one award, more than one award or no award presented in each category.

This was another great year with 905 entries (772 English and 138 Spanish) submitted in 74 English and 23 Spanish categories from the calendar year 2021, for Emmy® award consideration. All entries were submitted and uploaded through Emmy® Express and then judged online by more than one of the following NATAS chapters: **Boston/New England, Chicago/Midwest; Lonestar** (Texas); **Mid-Atlantic** (Philadelphia); **Ohio Valley; Pacific Southwest** (San Diego); and **Suncoast** (Miami). At least seven peers viewed and scored each entry. English and Spanish entries are judged separately. The online programs were scored for content, creativity, and execution (1 to 10 points), for a possible total of 30 points. Craft categories are judged on creativity and execution only, for a possible 20 points. After scoring all the entries in the category, the judge certified his or her scores and submitted the ballot directly to our accountant for processing.

A tabulated sheet representing each category - with separate entries for English and Spanish but not identified - was presented to the Awards Committee. The committee determined a cutoff score in each category and entries above that score were considered nominees. The committee then selected the Emmy® recipients by highest scores. The Awards Committee members made these selections without knowing which entries or categories were being considered. The nominations were announced May 11, 2022 on the chapter's website. 225 English and 45 Spanish entries were nominated with 908 certificates being handed out to 503 individuals. Tonight, we will see the top scores of Emmy® award excellence.

IMAGE ISN'T EVERYTHING

Did you know...?

- According to the Dove Global Beauty and Confidence Report, approximately 7 in 10 women and girls report a decrease in body confidence and increase in beauty and appearance anxiety, driven by the pressure for perfection from media and advertising's unrealistic standard of beauty.
- While media isn't considered a direct cause of eating disorders, there is an increasing awareness and acknowledgment of its impact.
- Approximately 28.8 million Americans will have an eating disorder in their lifetime, but only about one in ten will seek treatment. (National Eating Disorder Association)

ACCEPTING YOUR AWARD:

When you walk on stage to accept your award, you will be directed to the **left podium**, and you will be handed a **temporary statuette**.

After the **30-second on-stage speech**, you will be escorted **backstage** (behind the center wall) where you will **return the temporary statuette** and **receive your recipient's name card** before continuing on to the red carpet.

****NOTE:** Please **hold on to the name card** as you will need to hand it to the red-carpet producer prior to your red-carpet speech.

30-SECOND SPEECHES:

We will adhere to a strict 30-second time limit for on-stage speeches. After 30 seconds the microphone and podium light will be turned off. However, there is no set time limit for the red-carpet speeches.

PRE-DESIGNATED SPOKESPERSON:

All nominees on a winning entry are invited to come to the stage, however **only the pre-designated spokesperson will be allowed to speak**. Each person on the entry will have the opportunity to give individual speeches on the red carpet after receiving your Emmy® statuette.

If there is **no pre-designated spokesperson**, there will be **no on-stage speech**. Presenters will announce the winning entry and move on to the next category. **Nominees should not come to the stage**. Instead, proceed directly to the reception area to collect your Emmy® statuettes and give a red-carpet speech.

THE RED CARPET:

All recipients on the winning entry should **proceed directly to the reception area** via the back-stage entrance where you will be handed a celebratory **glass of bubbly**, collect your **engraved Emmy® statuette**, give your **full speech** on the red carpet, and pose for your **official Emmy® photo**.

After receiving your engraved statuette, feel free to **take selfies** in front of the Emmy® step-and-repeat while waiting for your turn on the red carpet. While waiting in line, be prepared to **hand your recipient name card to the red carpet producer**.

After your red-carpet speech(es), don't forget to take your professional Emmy® photo (located next to the bars) before returning to your table.

The on-stage and red-carpet speeches will both be broadcast live via web-cast at **emmysf.tv**. They will also be **clipped for sharing on social** after the show. Check your social media notifications and the **@EmmySF** social pages on Sunday for your speech clips and don't forget to add **#EmmySF** to all of your Emmy® night posts!

Musical Director: Michael Hatfield

Michael Hatfield is a very diverse entertaining musician. Whether he is performing the Great American Songbook, the latest tune from Bruno Mars or Adele, or one of the many songs from the Beatles catalogue, Michael is one happy piano-vocal kinda guy. Quite often Michael has slipped quietly into country music upon request, but leaves the telltale hat at home.

Michael also is a mallet percussionist, leader and performer with the "Mallet Band" on marimba and vibraphone. Hatfield studied with world renowned vibist Gary Burton, and Michael was on the faculty at Berklee College Of Music for several years.

Bay Area audiences sometime confuse Michael with Mikey Luv, one of the founding members of "The Fabulous Bud E Luv Show." After 34 years, Michael has given up trying to separate himself from his alter ego, Mikey Luv, since they both live at the same address, but often dress & act differently. {They have never been seen in the same place at the same time, although many swear that Michael walked in and Mikey Luv walked out....}

THE SACRAMENTO KINGS WOULD LIKE TO CONGRATULATE

GARY GEROULD

ON RECEIVING

THE GOVERNORS' AWARD

CONGRATULATIONS, G-MAN!

THE GOVERNORS' AWARD: Gary Gerould

Gold Circle 2018

Presenter:

Joyce Mitchell
Vice President, Sacramento

Gary Gerould is a legendary sportscaster who has worked in TV and radio for 67 years. He's best known as the voice of the NBA's Sacramento Kings and has been doing play-by-play for them since 1985. He not long ago logged a milestone – calling 2,500 NBA games. Simultaneously, for 37 years, Gerould was a motor sports reporter for ABC and ESPN.

Gerould got his start in broadcasting at the age of 15 on a local telegraph station in Midland, Michigan. His passion for sports coupled with the emerging broadcasting industry landed him a job at KHSL TV and Radio in Chico, California. Then, it was on to KCRA-TV in Sacramento where he worked as a sports reporter/anchor from 1965 to 1977.

After leaving KCRA, Gerould went freelance, covering auto racing assignments including Formula One

and Indianapolis 500. Along the way, he mentored his son Bobby Gerould who is now a known sportscaster and personality.

Known as G-Man, Gerould also has worked for NBC's pro football NFL coverage and was a member of the NBC broadcast team for the 1988 Summer Olympics in Seoul, South Korea. During his many years doing IndyCars coverage, Gerould said that he had the privilege of being in the pace car twice. "When you look back over your shoulder at the field of 33 cars and see 400,000 race fans, man, the hair stands up on my arms now just thinking about it," said Gerould.

At the age of 82, Gerould remains one of the NBA's longest-tenured announcers. And - this legend and pioneering TV sportscaster – at the age of 82 – has no plans to retire. You GO G-MAN!

THE GOVERNORS' CITATION

Presenter:

Steve Shlisky

Laney College
Past President
Governors' Citation
2021
Silver Circle 2014

Alison Gibson

Media Cool
Treasurer

For three decades, Alison Gibson has been dedicating time to the National Academy of Television Arts & Sciences, either serving as a Governor with the San Francisco/NorCal Chapter or participating on a national level. Her first term as a National Trustee was back in 1995. She has been re-elected to the post three more times.

Gibson is the owner of MediaCool and Timeline Productions, two strategic communications companies she founded to serve broadcasters, corporations and the legal community. Her expertise in budget and production management comes with many years of experience in the Bay Area and abroad.

Currently seated as Treasurer of the SF/NorCal Chapter of NATAS, Gibson chaired the Education Committee for ten years. She's also been elected Chair of the Finance Committee during her tenure as a Governor. In the past, Gibson has been honored with the Governors' Service Medallion.

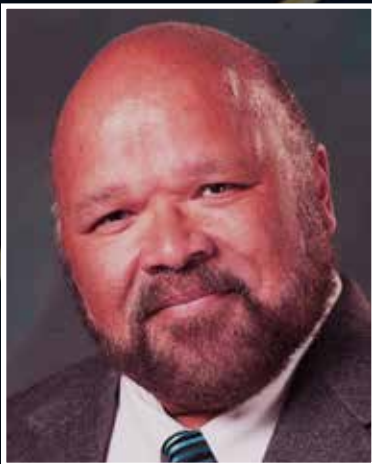

Jim Spalding

Spalding & Company CPA
Finance Chair

Principal of Spalding & Company, Jim Spalding is a CPA who has served nearly 40 years with the National Academy of Television Arts & Sciences (NATAS), San Francisco/NorCal Chapter. He has headed up the Finance Committee throughout the decades and also been elected Treasurer for several terms starting back in 1988. Spalding has extensive professional managerial and administrative experience in production, program distribution, broadcast and media communication.

His expertise in finance was extremely beneficial when Spalding was Chief Financial Officer of KQED. He helped the public television station change from a deficit prone local broadcaster to a financially sound organization generating national and regional programming.

Spalding has been honored by the SF/NorCal Chapter of NATAS with the Governors' Service Medallion.

Bob Rucker

Retired,
San Jose State University
Governor
Diversity Chair

Opening the discussion about diversity, Retired Professor Bob Rucker is determined to help cultivate conversations and get people talking. Rucker joined the SF/NorCal Chapter of the National Academy of Television Arts & Sciences (NATAS) in 2021. Since, he's hosted a series of programs addressing the topic.

Rucker currently chairs the Diversity Subcommittee that falls under Membership. His decades-long career stretches back to serving as a weekend news anchor and reporter for WHO-TV in Des Moines, IA, national features producer for Newsweek Magazine's broadcast service, weekend news anchor and bureau chief of KYW-TV3 in Philadelphia, PA, and CNN national news correspondent based in San Francisco.

In 1990, Rucker became a professor at San Jose State University where he worked in the School of Journalism and Mass Communications. He retired from teaching in 2020 but continues to mentor and promote discussions related to diversity.

Recently, Rucker moderated conversations related to diversity that can be seen on the NATAS EmmySF/NorCal website. Topics explore how diversity affects journalists and the broadcasting industry as a whole. No stranger to hosting events, Rucker has been actively engaging these conversations for several years on his YouTube channel.

Congratulations Bob Rucker on the Governors' Citation
