The **51<sup>st</sup> Annual Northern California Area EMMY® Awards** were presented Saturday evening, June 11<sup>th</sup> at the Hilton San Francisco Union Square. The EMMY® Award is presented for outstanding achievement in television by The National Academy of Television Arts & Sciences (NATAS). San Francisco/ Northern California is one of the nineteen chapters awarding regional Emmy® statues. Northern California is composed of media companies and individuals from Visalia to the Oregon border and includes Hawaii and Reno, Nevada. Entries aired during the 2021 calendar year.

A total of 905 entries were received, 772 English and 133 Spanish in 73 English Categories and 22 Spanish Categories. Nominations were announced on May 11<sup>th</sup> with 225 English and 45 Spanish. Electronic ballots were submitted by a minimum of seven peer judges from other NATAS chapters and were sent directly to our accountant. The Spanish and English awards are judged and scored separately and then presented at the ceremony.

345 Emmy® statues were handed out to 222 individuals. The top three recipients were all from the Golden State Warriors. **Derek Parker**, Media Manager, with seven. **Kassidy Iwashita**, Senior Producer, and **Blake Wilderding**, Director of Production, with six each. Followed by four recipients from abc10 KXTV, Sacramento with five statues each: Reporters: **Johnathon Bartell** and **Brandon Rittiman**; Photographers: **Tyler Horst** and **Rory Ward**.

The prestigious Governors' Award, the highest honor a regional chapter can award was presented to **Gary Gerould**, Sportscaster for the Sacramento Kings.
