NEWS RELEASE

NOMINEES FOR 2022 NATIONAL STUDENT PRODUCTION AWARDS ANNOUNCED

NEW YORK, October 17, 2022 - The Foundation of The National Academy of Television Arts & Sciences (NATAS) today announced the nominees for the 2022 National Student Production Awards. Nominees were selected from high school student entries across the country in 25 programming and craft categories.

"The EMMY® Awards are the "gold standard" in the television broadcast industry - recognizing the very best of the best. Similarly, our National Student Production Awards recognize the very best from our industry's next generation of media creators and leaders," said Terry O'Reilly, Chairman, NATAS. "The work they're doing today promises an amazing future ahead - for them, and for the entire television community."

"The work created by our nominees is exemplary," said Danielle Mannion, Education Chair, NATAS. "Each year the students and their teachers raise the bar of excellence higher. The future of the industry looks bright with these talented individuals leading the way!"

This year's submissions were successfully culled from over 2000 entries from the regional chapters of The National Academy of Television Arts and Sciences. Entries were judged by selected industry professionals and media academics.

Recipients will be announced November 17, 2022 beginning at 1pm (ET)/Noon (CT)/11am (MT)/10am (PT) via a web stream produced by NATAS. This and all NATAS ceremonies are available on NATAS' dedicated viewing platform powered by Vimeo, available on the web at Watch.TheEmmys.TV and via The Emmys® apps for iOS, tvOS, Android, FireTV, Roku and Samsung TV (full list at apps.theemmys.tv).

About NATAS

The National Academy of Television Arts & Sciences (NATAS) is a service organization dedicated to the advancement of the arts and sciences of television and the promotion of creative leadership for artistic, educational, and technical achievements within the television industry. It recognizes excellence in television with the coveted Emmy® Awards for News & Documentary, Sports, and Daytime television programming, as well as achievements in television Technology & Engineering. NATAS membership consists of more than 18,000 broadcast and media professionals represented in 19 regional chapters across the United States. Beyond awards, NATAS provides extensive educational programs through its Foundation, including regional and national scholarships and Student Production Awards.
