Compelling. Creative. Collaborative. They're just a few words to describe the outstanding work nominated in the 52nd Annual Northern California Area Emmy® Awards.

It gives me great pleasure and excitement, on behalf of myself and the chapter's Board of Governors, to welcome you back to San Francisco and the Hilton Union Square, as we award excellence in television and digital media!

Whether it's your first nomination, one of many, or if you're one of our distinguished guests, tonight we all celebrate our diverse and unique markets, members and talents across our chapter.

We are one of 19 chapters across the country with media professionals from markets including San Francisco, Sacramento, Eureka, Chico/Redding, Reno, Fresno, Salinas/Monterey, Hawaii, and even Guam. Earning a nomination is an accomplishment in itself. Receiving an Emmy® statuette is a truly high honor bestowed by The National Academy of Television Arts & Sciences (NATAS).

To enhance your gala experience, we've added a 360 photo booth in the Red Carpet room so everyone can make tonight memorable and share those moments with others. Also, while you enjoy your four-course dinner, red and white wines are provided from Wente Vineyards. And helping to celebrate the big night is sparkling wine from Gloria Ferrer. The beautiful floral centerpieces were created by Floradora Floral Designs.

This night would not be possible without our production partners at The San Francisco Media Group, and the hard work of our Emmy® Gala Committee, the Board of Governors, and our many Emmy® Gala volunteers. I'd also like to thank our Emmy® Awards Committee led by Wayne Freedman, for its dedication, outreach and commitment to making our contests fair, competitive and equitable.

A special thanks to board members Stephanie Sierra and Patty Zubov for recruiting our fabulous sponsors, and to Editor Steve Shlisky, Graphic Designer Paula Marcheschi, Executive Director Darryl Compton, and our marketing/social media team, Nazy Javid and Kris Sanchez, led by Marketing Chair Larena Baldazo. Recognition is also given to Joseph Cotchett, founding partner of Cotchett, Pitre & McCarthy, LLP for a generous donation to assist in funding our gala.

Our Chapter is more than just the Emmy® Awards. We've given out nearly \$20,000 in scholarships to dedicated students and future media professionals. Our Mentor Match program has helped young professionals reach new heights through the expertise of veteran industry leaders. And several events have showcased the educational programs and unique aspects of the television world in our chapter.

Our board is also evolving and growing in perspectives and understanding of the changing media landscape. We encourage all members to get involved to make sure all voices and markets are heard. Please fill out the member survey by scanning the QR code in the program. Thank you for being part of NATAS and our chapter's membership.

Finally, congratulations to all our Emmy® Nominees. I am honored to share the room with the very best in our region. We hope you have a fantastic evening.

Sincerely,
Brooks Jarosz

Governors' Citation 2013
Governors' Award 2021

Welcome to the 52nd Annual Northern California Area Emmy® Awards. Our Board of Governors along with the Emmy® Awards and Emmy® Gala Committees, are happy to have you with us. Tonight, we honor excellence in a region ranging from Northern California to Reno, the Hawaiian Islands, and Guam. On this occasion, we gather in the same room to celebrate our work, each other, and excellence in our craft.

This year, our chapter received 1043 submissions in 100 English and Spanish categories. Juries of your peers across the country judged the work and deemed it worthy of recognition. Tonight, we honor 321 nominations for 489 individuals.

While we award Emmy® to individuals, everyone is interested in the station count. Sacramento's KCRA 3 and ABC10 KXTV tied with 28 nominations. NBC Bay Area KNTV received 26. In the Spanish contest, KSTS Telemundo 48, Bay Area scored 14 followed by Sacramento's KUVS Univision 21 with 11.

Being nominated? It's an award.

The statuette? A higher level of it.

Thank you to the Awards Committee for its many long hours spent certifying submissions. As you may know, we look at every single entry to assure it fits the category while complying with Academy guidelines.

Thank you to **Len Ramirez** from KPIX for serving, again, as our Voice of God announcer.

Thank you to all Board members.

We also owe an enormous debt of gratitude to our former president and Governors' Citation recipient **Steve Shlisky** for his post-production work in putting all the videos together.

Congratulation to all the Emmy® Nominees. You are the elite in this region. You deserve to be here, tonight. You earned it.

The 52nd Annual Northern California Area Emmy® Awards 2022-2023 Judging Procedures

The San Francisco/Northern California Chapter annually honors outstanding individual, news and program achievements in Northern California, Hawaii and Reno. The purpose of conferring the coveted Emmy® statuette is to provide incentive for continuing outstanding individual and production achievements within the television industry. The Emmy® Awards program is also a means of focusing public attention upon the multitalented individuals who comprise this business and to honor them. There can be one award, more than one award or no award presented in each category.

This was another great year with 1,030 entries (853 English and 177 Spanish) submitted in 74 English and 26 Spanish categories from the calendar year 2022, for Emmy® award consideration. All entries were submitted and uploaded through Emmy® Express and then judged online by the more than one of the following NATAS chapters: Central Great Lakes (Cleveland), Chicago/Midwest; Lonestar (Texas); Mid-Atlantic (Philadelphia); Ohio Valley; Pacific Southwest (San Diego); and Suncoast (Miami).

At least seven peers viewed and scored each entry. English and Spanish entries are judged separately. The online programs were scored for content, creativity, and execution (1 to 10 points), for a possible total of 30 points. Craft categories are judged on creativity and execution only, for a possible 20 points. After scoring all the entries in the category, the judge certified his or her scores and submitted the ballot directly to our accountant for processing.

A tabulated sheet representing each category - with separate entries for English and Spanish but not identified - was presented to the Awards Committee. The committee determined a cutoff score in each category and entries above that score were considered nominees. The committee then selected the Emmy® recipients by highest scores. The Awards Committee members made these selections without knowing which entries or categories were being considered. The nominations were announced May 3, 2023 on the chapter's website. 219 English and 52 Spanish entries were nominated with 867 certificates being handed out to 491 individuals. Tonight, we will see the top scores of Emmy® award excellence.

You may have caught Gina on season 17 of NBC's America's Got Talent where she received 4 yesses from the celebrity judges. Howie Mandel calls her "wonderful" and "memorable".

Festival credits include the World Series of Comedy Las Vegas, Boston Comedy Festival, SF Improv Festival, Hawaii Improv Festival, and more. She was featured on the Andrea Savage podcast, in the Un-Scripted Theatre Company and headlines at comedy clubs throughout the country. Frequently recognized for her captivating story-telling, Gina's real take on life, motherhood, dating, and navigating Costco; combined with her intoxicating stage presence make her irresistible to watch!

Musical Director:

Michael Hatfield

Michael Hatfield is a very diverse entertaining musician. Whether he is performing the Great American Songbook, the latest tune from Bruno Mars or Adele, or one of the many songs from the Beatles catalogue, Michael is one happy piano-vocal kinda guy. Quite often Michael has slipped quietly into country music upon request, but leaves the telltale hat at home.

Michael also is a mallet percussionist, leader and performer with the "Mallet Band" on marimba and vibraphone. Hatfield studied with world renowned vibist Gary Burton, and Michael was on the faculty at Berklee College Of Music for several years.

Bay Area audiences sometime confuse Michael with Mikey Luv, one of the founding members of "The Fabulous Bud E Luv Show." After 34 years, Michael has given up trying to separate himself from his alter ego, Mikey Luv, since they both live at the same address, but often dress & act differently. {They have never been seen in the same place at the same time, although many swear that Michael walked in and Mikey Luv walked out....}

WORKING FOR HAWAII!

KHON2 Congratulates
Pamela Young

RECIPIENT OF THE BOARD OF GOVERNORS' AWARD

The Governors Award: Pamela Young

Presenter:

Gary Sprinkle
Producer/Photographer/Editor
Sprinkle Media Solutions
Silver Circle 2007

Journalist/Producer/Host
KHON 2
Governors' Citation 2019
Governors' Service
Medallion 2011
Silver Circle Class of 2004

Pamela Young's television career started 49 years ago at KPIX as a reporter for **Belva Davis'** minority-issue program "All Together Now." She moved to KQED's acclaimed Evening Edition under the directorship of **George Osterkamp**. After 13 years in the Bay Area she returned home to the islands and was assigned by KHON News Director **Wally Zimmermann** to create a signature feature series. Mixed Plate, now in its 40th year, became the longest running news feature. (The name Mixed Plate is derived from the practice used by immigrants in the sugar cane plantation. Each ethnic group would share something off their plates with co-workers, symbolizing Hawaii's melting pot.) At KITV 4 she reported and co-anchored with husband **Gary Sprinkle** on the #1-rated news show for 2 decades.

Her work in San Francisco and Hawaii garnered her twelve time Emmy® awards, a Peabody, and two American Legion 4th estate awards. For her community work with Asian-American veterans, she recently received the Congressional Gold Medal, the highest civilian award bestowed by the U.S. Congress.

Pamela is on the NATAS Board of Governors, a past Hawaii VP, and now a National Trustee. In 2004 she joined the Silver Circle, and received the Service Medallion in 2011, and the Governor's Citation in 2019.

Pamela and Gary are proud of their son Paulo, daughter-in-law **Emilani** and granddaughter **Luna**.
