Senior Communications Officer,
Santa Clara County Office of the Sheriff: 2024
Investigative Reporter, KTVU FOX 2: 2017-2023
Governors' Service Medallion: 2022

Tonight is the night. Welcome to the **53rd Annual Northern California Area Emmy® Awards**. We are thrilled to have you with us as we award excellence in television and digital media!

Congratulations Emmy® nominees! Only a small percentage of people receive this high honor. Earning an Emmy® statuette is an even greater achievement. And to your friends, family, and supporters -- thank you for joining in the celebration.

Our local Chapter is one of 19 across the county -- and it's large and vast, extending from San Francisco to Sacramento, Eureka, Chico/Redding, Reno, Fresno, Salinas/Monterey, Hawaii, and Guam. I appreciate all those who have travelled to be in attendance tonight.

We welcome you with a pre-show reception where a new giant Emmy® greets you. I hope you are taking lots of photos by our backdrops, green screen, or enjoying the amazing 360 photo booth.

Please enjoy your delicious four-course dinner as awards are presented. Both red and white wines are compliments of **Wente Vineyards**. Celebratory sparkling wine is provided by **Benovia Winery** for premium tables and our Emmy® recipients. The beautiful flower centerpieces that adorn your table are creations of **Floradora Floral Designs**.

Our Board of Governors is committed to providing you an extraordinary experience as we honor your successes. We owe great thanks to the Emmy® Gala Committee led by **Paula Marcheschi**. I'd also like to applaud Emmy® Awards Chair **Pamela Young**, Vice Chair **Kris Sanchez** and Executive Director **Darryl Compton**.

Member benefits shore up our Chapter. Our **Mentor Match** program continues to grow, providing invaluable peer support to young professionals. Our **Diversity Committee** hosts lively panel discussions, most recently focused on navigating tensions in war coverage.

We're also dedicated to future broadcast journalists and media industry leaders. We've given out **\$20,000 in scholarships** to students this past year. And this year we are adding a \$5,000 scholarship to a native Hawaiian student in honor of **Robert Kekaula**. Thanks to **Janice Gin** for sponsoring this new award. This evening, a hummingbird painting by **Joyce Mitchell** is being auctioned off in memory of nature-loving videographer **Ken Day**, who recently died of cancer. The money raised will directly support the "Shelly" Fay Memorial Scholarship to help an up-and-coming television photographer. For more on our scholarships and all that we do, check out our website **emmysf.tv** and follow us on social media.

This year, at the end of the Emmy® Gala, we want all recipients on stage for a group photo. Making this night memorable is our gift to you.

As I close out my first term as Chapter President, our Board of Governors is evolving to better reflect all of you. We not only represent TV stations, but also streaming platforms. As the region grows and develops, so do we.

Stepping up that commitment tonight, we're providing you with an After Party to keep the celebration going. We'll transform the reception area into a dance club atmosphere with music provided by **DILA**.

While I am taking a break from television, I continue to work in media and am humbled, while also inspired, as I lead this Chapter forward. Let us acknowledge the immense talent among us tonight. YOU are the reason we're gathered here. Have a fantastic evening!

Brooks Jarosz

CONGRATULATIONS, EVERYONE!

And special thanks to the **ABC7 Nominees**
who help **Build a Better Bay Area** every day!

Silver Circle Class of 2004

Welcome to the 53rd Annual Northern California Area Emmy® Awards. Our Board of Governors, Awards Co-chairs **Paula Marcheschi, Kris Sanchez**, and I are happy to share this evening of celebration with you. Tonight, we honor excellence in a region ranging from Northern California to Reno, the Hawaiian Islands, and Guam.

This year, our chapter received a record number of entries: 1106, with 913 submissions in English and 193 in Spanish. Juries of your peers across the country judged the work and deemed it worthy of recognition. We thank all the individuals, stations, and production entities who participated this year. The quality of work continues to be outstanding. The Emmy® is awarded to individuals, but everyone is interested in the station count. CBS Bay Area KPIX is first with 35 nominations, followed by KCRA with 3, Sacramento with 33. The top Spanish station is Univision 19 KUVS with 21.

Thank you to the Awards Committee (and the many volunteers) for the long hours spent in the certification process. The task was especially arduous, given the National Academy restructuring, changes in the Regional Awards Manual, and new scoring system. As you may know, we look at every single entry to assure it fits the category while complying with Academy guidelines. We appreciate your understanding and patience as we made the transition.

Thank you to **Len Ramirez** from KPIX for serving, again, as our Voice of God announcer, to **Vern Glenn**, with whom we share the podium tonight, and of course Executive Director **Darryl Compton** for his administrative supervision and good humor.

We also owe an enormous debt of gratitude to our former president and Governors' Citation recipient **Steve Shlisky** for his post-production work in putting all the videos together.

Congratulations to all the Emmy® Nominees. You are the best in your craft. Now, let's celebrate!

The 53rd Annual Northern California Area Emmy® Awards

2023-2024 Judging Procedures

The San Francisco/Northern California Chapter annually honors outstanding individual, news and program achievements in Northern California, Hawaii and Reno. The purpose of conferring the coveted Emmy® statuette is to provide incentive for continuing outstanding individual and production achievements within the television industry. The Emmy® Awards program is also a means of focusing public attention upon the multitalented individuals who comprise this business and to honor them. There can be one award, more than one award, or no award presented in each category.

This was another great year with 1,106 entries (913 English and 193 Spanish) submitted in 77 English and 27 Spanish categories from the calendar year 2023, for Emmy® Award consideration. All entries were submitted and uploaded through Emmy® Express and then judged online by the more than one of the following NATAS chapters: Boston New England, Chicago/Midwest; Lonestar (Texas); Mid-Atlantic (Philadelphia); Ohio Valley; Pacific Southwest (San Diego); and Suncoast (Miami).

At least seven peers viewed and scored each entry. English and Spanish entries are judged separately. The online programs were scored for content, creativity, and execution (1 to 7 points), for a possible total of 21 points. Craft categories are judged on creativity and execution only, for a possible 14 points. After scoring all the entries in the category, the judge certified his or her scores and submitted the ballot directly to our accountant for processing.

A tabulated sheet representing each category - with separate entries for English and Spanish but not identified - was presented to the Awards Committee. The committee determined a cutoff score in each category and entries above that score were considered nominees. The committee then selected the Emmy® recipients by highest scores. The Awards Committee members made these selections without knowing which entries or categories were being considered. The nominations were announced May 14, 2024 during a *Nomination Night* webcast. 235 English and 56 Spanish entries were nominated with 910 certificates being handed out to 508 individuals. Tonight, we will see the top scores of Emmy® Award excellence.

Emmy® Etiquette

Our 53rd Annual Emmy® Gala promises to be a memorable night. Being recognized for excellence in the television industry remains a high honor.

The Awards ceremony begins at 6:30 p.m. and will be livestreamed on our **emmysf.tv** website. Share your special evening with family and friends by posting on social media using **#EmmySF**.

Enjoy hors d'oeuvres and complimentary wine courtesy of Wente Vineyards. Dinner will be served throughout the ceremony. We ask that you please be respectful of your peers at the podium and refrain from talking while awards are being presented.

ACCEPTING YOUR AWARD:

The protocol for this evening's Awards Ceremony is very specific. The presenter will announce the recipient of your category. The 20 second clip of your entry will play. During the clip, you will make your way to the stage, using the stairs closest to where you are seated. Steps are on both sides of the platform. Go to the podium closest to your stairway.

All recipients will be handed an Emmy® statue. The designated speaker for your entry will have 30 seconds for an acceptance speech. **Only the one designated speaker may talk.** New this year: a 30 second timer in front of the TV camera platform. When the timer runs down to '0', your time is up. Mr. Music will start playing, the lights and microphone will be turned off, and the presenter will announce the next category. You will be escorted backstage (return statue) and make your way to Ballroom A to receive and sign for your engraved statuette. You'll also be able to pick up statues for members of your team who are not present.

Formal photos with your Emmy® Statuette will then be taken. You can also have a 360 or green screen photo taken. After your photo, please return to Ballroom B.

If you are fortunate to be a recipient in additional categories you can come to the stage and receive your statue, but no speech. **You only get to speak once.**

NATAS and its Chapters have zero tolerance for discrimination, harassment, or any other physical or verbal misconduct. Everyone is asked to conduct themselves in a professional and acceptable manner. Members are responsible for the behavior of their guests. If any inappropriate conduct occurs, that person or parties may be removed from the event, and potentially excluded from future events. Thank you for your cooperation.

Musical Director: Michael Hatfield

Michael Hatfield is a very diverse entertaining musician. Whether he is performing the Great American Songbook, the latest tune from Bruno Mars or Adele, or one of the many songs from the Beatles catalogue, Michael is one happy piano-vocal kinda guy. Quite often Michael has slipped quietly into country music upon request, but leaves the telltale hat at home. Michael also is a mallet percussionist, leader and performer with the "Mallet Band" on marimba and vibraphone. Hatfield studied with world renowned vibist Gary Burton, and Michael was on the faculty at Berklee College Of Music for several years. Bay Area audiences sometime confuse Michael with Mikey Luv, one of the founding members of "The Fabulous Bud E Luv Show." After 34 years, Michael has given up trying to separate himself from his alter ego, Mikey Luv, since they both live at the same address, but often dress & act differently. {They have never been seen in the same place at the same time, although many swear that Michael walked in and Mikey Luv walked out....}

Announcer: Len Ramirez

He is also a member of the National Association of Hispanic Journalists and the California Chicano News Media Association. Len graduated from San Jose State University with a degree in journalism in 1983. He lives in San Jose with his wife Julie and their three children.

Tonight's Presenters:

Vern Glenn

Sports Director, CBS Bay Area, KPIX
Governor, *Silver Circle* Class of 2020

Known for his clever wit and personality, Vern Glenn is Sports Director at KPIX 5 in San Francisco. He's been given the nickname "Mr. Involvement" for throwing himself into the middle of his feature stories. Glenn's bungee jumped, gone sky diving, jumped on the back of a wild animal for some bull riding. And that's naming only a few of his experiences.

He's been with KPIX since 2012, hired as weekend Sports Anchor, weekday sports reporter and MMJ. Before that, he was at KRON 4 for a decade. It was there when he was pinned with the nickname "Mr. Involvement" – and it's stuck.

Glenn has been honored with five Emmy® Awards for Best Sportscaster.

Kris Sanchez

Anchor/Reporter, NBC Bay Area KNTV
Governor, Awards Committee Vice Chair

Kris Sanchez is an experienced storyteller now in her 20th year on NBC Bay Area and Telemundo 48. She's a member of the "Today in the Bay" morning team and has a strong reputation for thinking fast, often in English and Spanish. She covers local issues, and breaking news including wildfires and earthquakes.

Sanchez has contributed to coverage that earned prestigious Murrow and Peabody Awards and has been honored by the National Association of Hispanic Journalists for her feature, "Cesar Chavez, A Legacy of Hope".

She's Emmy® Awards vice-chair and committed to helping grow the Spanish competition.

Pamela Young

Producer/Host, Mixed Plate, KHON 2
Awards Chair, Silver Circle 2004, Governors
Service Medallion 2011, Governors' Citation 2019,
Governors' Award 2023

A true broadcast veteran, Pamela Young began her television career almost 50 years ago at KPIX in San Francisco. She moved to KQED for 13 years then retired home to the Hawaiian Islands and station KHON 2.

In 2023, Young received the prestigious Governors' Award from the San Francisco chapter of NATAS, the highest honor a chapter can bestow. She's currently serving as Awards Chair, overseeing a fair competition of excellence.

During her time in San Francisco and Hawaii, Young has earned twelve Emmy® Awards.

Paula Marcheschi

Creative Director, ABC7 & ABC OTV
Governor, Awards Committee Vice Chair,
Gala Chair

As a Bay Area native, Paula Marcheschi grew up watching ABC7. In 1991, she went to work at her family's favorite station, starting out as an intern in KGO-TV's Programming Department. Paula has always had a passion for journalism and once she learned how to edit video, she was hooked on the TV business! After gathering experience in nearly every department from News to Marketing and even Accounting, Paula currently serves as the Director of Creative Services for ABC7 KGO-TV and the ABC Owned Television Stations. No stranger to hard work, Paula happily tackles any project that comes her way -- promos to long-form premium content, graphic packages to set design. For her efforts, she's won 9 regional Emmy awards. In her (minimal) spare time, Paula also supports the Bay Area arts scene and local sports -- go, Dubs! Paula is completing her second term as a NATAS Governor and is a Vice-Chair of the Awards Committee. Paula still loves to edit.

THE GOVERNORS' AWARD

Tom Vacar

Presenter: **Kevin Wing**

Producer, CBS13 CBS News Sacramento 'CBS News California Investigates'

NATAS Vice President, San Francisco, Archive & Museum Chair, *Silver Circle* Class of 2013

Governors' Service Medallion 2013

Tom Vacar

Reporter KTVU FOX 2

Silver Circle Class of 2003

After two years of freelancing while working full time in L.A., Tom became a full-time staff member of KTVU as Consumer Editor in 1991. Tom has covered every major disaster including earthquakes, wildfires, floods, levee breaks and droughts, and has had a big hand in covering business, economics, consumer affairs, aerospace, space, the military, high technology, ports, logistics, airlines and general news.

Tom worked at KGO TV and KGO Radio from 1979-1985. He moved to KCBS-TV and KNX News Radio in 1985 before moving to KTTV in 1988. Tom is originally from Salem, Ohio (a small industrial town of 11,000 people between Cleveland and Pittsburgh). He got his undergraduate degree in Political Science and Government at Case Western Reserve University in Cleveland, Ohio in 1972, as a designated Undergraduate Scholar. Tom got his Law Degree from Cleveland-Marshall College of Law in 1978.

In his 31 years at KTVU, he calculates that he has covered 8,000 stories. For 18 years, KTVU was home to Tom's syndicated *Great American Toy Test* (nominated for a National Emmy®). He has covered many major disasters including the Caldor Fire in Lake Tahoe, the L.A. quake in 1994, the Napa Quake, the Great Recession, the Pandemic and the long drought.

Tom loves the diversity of the region's people, cultures and ethnicities. That, he says, is what truly makes the Bay Area's natural beauty even more beautiful.

Tom shoots still pictures, mostly of wildlife while traveling with his wife Sharon, a former SF Opera soprano who also worked as a producer for 17 years. He has also traveled to England, Italy, Japan, Honduras, Bahrain, British Virgin Islands, The Grenadines, St. Martin, Puerto Rico, New Zealand, Society Islands, Panama, etc.

Thank You

Tom Vacar
