The Governors' Service Medallions

Paula Marcheschi

Service Medallion 2025

As a Bay Area native, Paula Marcheschi grew up watching ABC7. In 1991, she started out as an intern in KGO-TV's Programming Department. Paula has always had a passion for journalism, and once she learned how to edit video, she was hooked on the TV business! After gathering experience in nearly every department from News to Marketing and even Accounting, Paula currently serves as the Director of Creative Services for the

ABC Owned Television Stations. Paula happily tackles any project that comes her way. For her efforts, she has won 9 regional Emmy awards and is a member of the NATAS *Silver Circle*, Class of 2023. Paula is in her third term as a NATAS Governor. She is a Vice-Chair of the Awards Committee, has served as the Gala Committee Chair, and is a multi-year member of the Gala and Awards committees, as well as a frequent Emmy judge in both the professional and student competitions. In her spare time, Paula also supports the Bay Area arts scene and local sports – Go, Dubs and Valkyries! Paula still loves to edit.

Jose Muñoz

Service Medallion 2025

Jose Edward Muñoz has been with Univision Fresno for approximately 24 years. He graduated from CSU Fresno with a B.A. in Mass Communication and Journalism. During his time there, he covered Fresno State sports events through CBS Sports, FOX Sports, ESPN, and other local stations. His roles varied, but the experience proved invaluable. One of his most memorable experiences was serving as a jib camera assistant for the Central Valley Billy Graham Crusade event held at Bulldog Stadium. At Univision Fresno, he began as a photographer/editor and earned one of his first Emmy Awards in a role he never expected to take on—directing. As the media landscape has evolved, Jose has adapted by assisting the digital team in creating content for online platforms, preparing news specials for the company's streaming service app, and training and supporting new team members. Outside of work, he supports his wife's Folklorico programs by managing their social media presence and acting as her unofficial photographer and videographer. In addition to being a multiple Emmy Award recipient, Jose has been honored with an RTNA Golden Mike, an Edward R. Murrow Award, and a Telly Award. He would like to thank his parents and grandparents: "Without them, I wouldn't be who I am today."
